Description

Job Title: Dishwasher

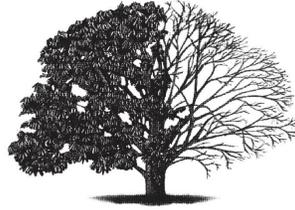

The Dishwasher is the backbone behind every successful restaurant. Without impeccably clean dishes, there is no flow of service. As a space efficient kitchen, the Service Bar dishwasher must be extremely organized and efficient. The system of washing and storing dishes must be second nature and boost the output of the restaurant. In addition to ensuring that the restaurant is run in a safe and sanitary manner, the dishwasher can also be involved in the food preparation process and a la minute or on-the-fly items. Service Bar is a collaborative kitchen and thus depends on the strength of the individual in their own tasks as well as their ability to work together; the dishwasher will be respected and treated with the same courtesy of all members of the kitchen staff.

Responsibilities:

- Organize, maintain, and consolidate an efficient system for ensuring all service ware, cookware, and glassware are cleaned and sanitized.
- Maintain an exacting standard of cleanliness, quality, efficiency, and finesse in all operations
- Maintain, clean, and polish all equipment in a manner that any public kitchen walk-ins will be supported

Proficiencies:

- Understanding of how to wash, rinse, and sanitize all items according to cleaning specification
- Organization and monitoring of par levels of all disposables, cleaning supplies, and silverware
- Frequent and thorough handwashing practices

MIDDLE WEST SPIRITS

Requirements:

- Guaranteed reliable transportation to Service Bar
- Accurate and efficient communication skills
- Positive and responsive attitude
- Pristine personal grooming

Interviewing Process:

- All candidates that are considered for the position will be asked to utilize the Service Bar Kitchen to prepare food for the chef; please show up appropriately and prepare accordingly accurate and efficient communication skills.
- All candidates will be taught a contemporary cooking technique along with the standard operating procedures to employ it effectively and safely; it will be required to demonstrate basic understanding of the technique in the follow up.
